Dr. Sebag Receives Orange County Medical Association Physician of Excellence Honor

Dr. Jerry Sebag earns “Orange County Physician of Excellence” honor from the prestigious Orange County Medical Association

Huntington Beach, Calif., September, 24, 2013 — VMR Institute, a leading facility for treatment of disorders of vitreous, macula, and retina in the Los Angeles and Orange County areas, announced today that Dr. Jerry Sebag has been selected by the Orange County Medical Association as a Physician of Excellence for 2014. This honor is bestowed upon those that the Orange County Medical Association recognizes as the best doctors in the county.

“I am extremely honored to have been chosen by the Orange County Medical Association as a Physician of Excellence. Vision is such a gift, and nothing is more gratifying than helping patients from Orange County and beyond to hold on to that gift. I am so grateful to be recognized for this, and thankful to the Orange County Medical Association,” said Dr. Sebag.

Every year, the Orange County Medical Association conducts a comprehensive survey of local physicians and rates them based on leadership, teaching and mentoring, research, and humanitarian service to the community. The nomination and selection process and criteria were established by a special committee of the Orange County Medical Association and approved by the Board of Directors.

Since 1986 the VMR Institute in Huntington Beach has been a leading facility for treatment of disorders of vitreous, macula, and retina for decades. In addition to providing outstanding care for patients in the Huntington Beach, Los Angeles, and Orange County areas, Dr. Sebag, and Dr. Chong also lend their expertise and knowledge to medical professionals throughout the country and the world.
