Vitreous • Macula • Retina

Dr. Sebag

Los Angeles Magazine annually polls 31,000 physicians and surgeons asking:

“If you had a problem, who would you select as your doctor?”

The only two vitreo-retinal surgeons in OC and Long Beach selected as Super Doctors four years in a row were Dr. Sebag and Dr. Chong.

- Educated at the Bronx High School of Science, Columbia and Harvard
- Considered the world’s leading authority on vitreous
- Professor of Clinical Ophthalmology at Doheny Eye Institute
- Fellow of the American College of Surgeons and the Royal College of Ophthalmologists
- Member of the prestigious American Ophthalmological Society, founded in 1864
- Fellow of ARVO, the world’s premier eye research organization

Dr. Sebag offers state-of-the-art diagnostics & therapeutics with compassion and care.
